

GEORGIA REPRESENTATIVES ARE
VOTING ON THIS BILL THIS WEEK

State Bill 140

Makes Gender Affirming Care illegal for
people under 18

What is Gender Affirming Care?

- Hormone Therapy
- Puberty blockers
- Respecting pronouns
- Psychiatric services
- Social Affirmation

Why it matters?

- Teens who receive gender affirming care have a 60% less chance of moderate to severe depression and 73% lower chance of suicide
- Less than 1% of individuals who receive this care as teens report regret

What can you do?

Use this link to contact your representative and tell them that gender affirming care is important to you!
